A Prayer for Spring

Loving God,

as the new song of spring open creation
to a new season of life,

So you open our hearts to a love
that surpasses our understanding.

You gather us through your call to each of our hearts,
for our yearning and longing are deep
and we find that only you can fill us.

And fill us you do—

with the peace of the Christ that comforts,
with the joy of the Spirit that can transcend the
woes of the world,
with a happiness that warms our hearts.

Open us once again

to receive all the joy you would offer us,
that song and word may dance within us.

In Jesus’ name we ask. Amen.
